**THE TRIPLE CROWN** — Three of the fastest Laser Disc games on the market today. Few things in life can travel a quarter-mile faster than a **Quarter Horse** and Electro-Sport has three to choose from, including the Never Seen Before "Arcade Size" 19 inch monitor package of this captivating racing game. Visit our display at the AMOA and lasso a **Quarter Horse** for your corral.

**SKILL POKER™(C)** — What's new in the way of **Skill Poker™(C)**? How about Flashing Cards and a 19 inch high resolution color monitor! Electro-Sport not only has them, but in the same game! Electro-Sport's new **Skill Poker™(C)** game includes all of our famous Poker amenities such as; choice of player panels, choice of card graphics at the push of a button, choice of cabinet styles, and operator selectable Setup Mode, and the popular Raise Poker program.

**WESTERNER** — Designed for locations where the arcade type package does not fit the environment. This is a low cost presentation of Poker excitement.

## NEWS FLASH

**ELECTRO-SPORT**, Inc. is getting ready for the AMOA in a big way with an exciting new series of games and we want to invite you to share in this excitement by paying us a visit at the AMOA Exposition 1983 in New Orleans. We will be located in booths 121, 123, 125, 127, 220, 222, 224, and 226.

Here is a glimpse at some of the new games we will have on display:

**HOT SHOTS** — Electro-Sport announces a revolutionary development in shooting games with our new **Hot Shots** series. **Hot Shots** offers three separate, interchangeable shooting games in one attractive package. Buy One get Three! **Hot Shots** is built for interchangeability and designed to grow with your location. Drop by our booths and take a shot at **Hot Shots** from Electro-Sport.

**MYSTIC RINGS** — This is a gun game designed for a wide age group market with all of the thrills and excitement for the skillful players. It will go well in locations ranging from truck stops to prize awarding arcades.
