November 26, 1975

Meadows Games, Inc. is pleased to announce that effective this date you may now place orders for our games and parts directly at our factory, through our own Sales Department.

To reach us at the factory on new pricing policy and to place orders, we have installed Nationwide Toll Free phone lines (800) 538-1515, please call us Monday thru Friday between the hours of 8 A.M. and 4 P.M. California Pacific Standard Time.

The Sales Department will be headed by Jerry Schubert, Director of Marketing for all domestic and foreign sales. Lila Zinter, whom you all know as the "Meadows Sales Gal" will operate as National Sales Manager for all Meadows' games. Alan DeWolf has been appointed Regional Sales Representative at the factory to take orders for games.

Bruce Flickner, a very sharp and capable technician, will head up the Parts and Service Department. All questions on parts pricing and service questions, please refer to Bruce.

We at Meadows Games, Inc. sincerely hope you are as excited about this change as we are. The plans for new games shown at M.O.A. and other exciting things for 1976 are right on schedule.

Please let me at this time thank you for the loyalty and confidence you have placed in our games in the past and tell you that our goals remain the same, the very best quality games that can be designed and manufactured, and ask you to join with us for an even brighter and profitable future.

Sincerely yours,

Harry F. Kurek
President, Meadows Games, Inc.
